

Lisa Maroski and Tom Padikal, Ph.D.

Lisa Maroski: Our Profound Interconnectedness Interconnectedness isn't just an abstract idea. It's real at many different levels. You will experience a deep feeling of that connectedness. What does it imply about who we really are?

Thomas Padikal: Generating Your Own Biomolecules This is an empowering and experiential presentation. Its FOUNDATION is INQUIRY. Its SOURCE is the mighty confluence of SCIENCE and SPIRITUALITY. Its CONTEXT is our own spectacular LINEAGE we bring to the table.

Presentations will be followed by time for questions, opportunities, and networking.

Thomas Padikal, Ph.D. A Medical Physicist specializing in Radiology and Radiation Oncology, Dr. Padikal has participated in the treatment of tens of thousands of cancer patients. He's an international speaker, a *Diplomate* of the American Board of Radiology, and an author. Some of his past affiliations include: *Assistant Professor of Radiology* at the George Washington University Medical Center in Washington, D.C., *Cancer Expert* at the National Institutes of Health in Bethesda, MD and *Clinical Associate Professor* at Thomas Jefferson University Hospital in Philadelphia, PA. He's now a consultant to many prestigious Radiology and Radiation Oncology departments in the northeast US. Passionate and engaging, he will EMPOWER and STIR you into ACTION.

Lisa Maroski. A writer and medical editor, author of the spiritual-scientific novel, *The One That Is Both*. She is a graduate of Bryn Mawr College, with a BA in philosophy. Lisa helps scientists get grants to fund their research.
